Annual Membership

Families planning to train year-round in our School-Aged Gymnastics Programming (ie: Beginner 1/2/3, Intermediate 1/2/3, Advanced, Teen, Recreational Trampoline, etc) may choose our **Annual Membership Option**. This option is designed for athletes who are committing to **12 consecutive months of gymnastics**, including training during the summer months.

Annual Members receive **\$30 off their monthly tuition** for the duration of their 12-month membership.

Families may still withdraw at any time by submitting an online Notice of Withdrawal and following our 30-day Withdrawal Policy. However, if an Annual Membership is ended before the full 12 months are completed, the monthly discounts already received will be billed back to the account.

Example:

If an athlete receives the \$30 monthly discount for six months and then withdraws before completing the 12-month commitment, the account will be billed back \$180 (\$30 x 6) in previously received discounts.
